#### **Before Reading**

What's unusual about these two houses?

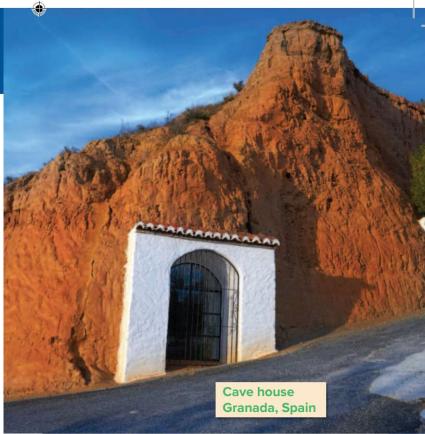

# Unusual Houses

Some people have very unusual houses.

#### Houseboats

There are over 10,000 houseboats in the Netherlands. Many are on Amsterdam's canals. These are old barges that are now homes. Lots of artists and young people like to live on the houseboats. Also, Amsterdam is very crowded, and there are not enough houses for everyone, especially in the city center. So houseboats offer people the chance to live right in the city. Houseboats in Amsterdam have one thing in common: they all look different.

#### Cave Houses

There are many cave homes in southern Spain. However, the homes are made by people and are not natural formations. These houses date back to the eighth century. The area near Granada is very hot in summer and cold in winter. But the temperature in the cave homes is about 19 to 20 degrees Celsius all year round. The houses have electricity and running water, and they are dry and comfortable. Some cave houses are very large and have ten rooms or more. The houses are usually very quiet, too.

#### **After Reading**

#### Ahmed Jeddah, Saudi Arabia

I usually arrive at school before 7 A.M. Assembly is at 6:45, and we always sing the Saudi national anthem. After assembly, we go straight to the classroom. We have six classes a day. Each one lasts 45 minutes. We only leave our classroom for subjects like computer, PE, and art. School finishes at 1 P.M., but there is an optional seventh period for students who want extra tutoring. There are after-school clubs. I'm a member of the football club, so I sometimes stay after school and play football.

My school is in a village on the Aguarico River. I live far from the school, so I need to get up at 5 A.M. I go to school by canoe, but when it rains a lot I stay at home. Our school has 46 students and two classrooms. There are two teachers, one for grades 1–3, the other for grades 4–6. We study all the subjects in Quechua, our first language, but we also learn Spanish. Our school has a generator for electricity, and it has a computer.

## 11 What Time Do You Get Up?

## Writing

A. Read the email from a Japanese student in middle school. With a partner, discuss what is the same or different about your school.

From: kaito\_suzuki@mail.jp Subject: Middle school in Japan

It's fun to have a pen pal in another country! We can practice English. Today, I want to tell you about middle school in Japan.

I usually get up at 7:15. I put on my school uniform, prepare my school bag, and eat breakfast. Then, I go to school by bus. Other students go on foot or by train.

Our school day begins at 8:30. Before classes, we meet in our homeroom for assembly. We have six classes a day, four in the morning and two in the afternoon. We study subjects like language, math, science, social studies, technology, health and PE, and art. Each class is 50 minutes long, with a 5-minute break between classes. We have lunch at 12:30. Everyone brings lunch from home, and we always eat in our homeroom.

School ends at 3:30. Before we go home, we all help to clean the school. There are also many clubs and after-school activities. For example, I play baseball twice a week and I'm in the English club (that's how I met you!). On these days, I usually leave school at 5:00.

What's middle school like in Saudi Arabia? Write back soon.

Your friend,

Kaito

I live in a small town about one hour from New York City by train. My neighborhood is nice and quiet, and we have everything we need right here. My school is only a couple of blocks from my house, and there's an enormous shopping mall near here. My friends and I hang out there often.

I have a parrot. His name is Gabby. Do you have a pet? I play football on the local team. The name of the team is Square United. What's your favorite sport?

## 7 Reading

#### **Before Reading**

First, look at the pictures and name the objects.

Do you use the same words when you speak Arabic?

# English Everywhere

Do you come across English in your everyday life? Some teachers and students complain that they don't use any English outside the classroom. Think about it: we read, hear, and use English all the time. For example:

- Words for food like burger or chips.
- Computer jargon that is also used in general English, such as window, mouse, click, drag, etc.
- Words for clothes like jeans or T-shirt.
- Short greetings or abbreviations like "Hello" or "OK."

Think of all the video games, social networks, websites, and other material on the Internet. When students search for information, they look up sources in English. Most of the films and programs on cable TV are available in English. Finally, any time you walk into a mall or a supermarket and pick up different products, check the label or the instructions. Most of the information is in English. English is everywhere, outside the classroom!

- **4.** How do you feel about using English in games or on the Internet? Why?

#### Career Day

My name is Mark Robbs. I'm 17 years old, and I'm a student at River Street High School. I want to be an architect, a chef, and a writer. It isn't easy to decide. I like to draw. I like to cook. I like to write, too. A lot of my friends have the same problem. What do we want to do?

Today is Career Day at my school. It's from noon to 3:00 P.M. On Career Day, different professionals come to our school. We

talk to them about their jobs. I want to talk to Mr. Redford. He's an architect, and he is at school today. A famous chef from New York is here, too. And a successful writer is coming at 2:00 P.M. Career Day is a great idea!
